## WELCOME TO THE HAREFIELD

---

**Situated in the village of Harefield in Uxbridge, Middlesex, The Harefield offers general nursing and nursing memory care for those living with dementia.**

Our staff pride ourselves on creating a warm, family feel at the Harefield. Support is centred on kindness and respect, and each resident has a personalised care plan based on their unique health and care needs as well as their preferred routines. Our residents dietary requirements, beliefs and anything that will ensure they ensure they feel understood, valued, and supported at all times, are taken into consideration.

Our Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities to keep our residents active and engaged.

## A HOME TO MAKE YOUR OWN

---

All of our bedrooms and communal areas are bright, comfortable and easily accessible by wheelchair, assisting residents to maintain their independence within the home.

Residents have the option of relaxing in our sitting areas, sharing meals together in the dining room, or joining one of the many activities held at The Harefield. Nutritious, delicious meals are at true highlight of each day. Our pretty landscaped garden and patio are favourite spots to take some fresh air with friends or family, and we also have our own on-site hair salon and nail bar where residents can enjoy a little pampering.

At the Harefield, comfort, connection, and choice are the cornerstones of life: we are proud to offer a fun, safe, and inclusive space for our residents, where kindness and quality care go hand in hand.

*We look forward to welcoming you*

**Residents at  
The Harefield  
enjoy:**
